

Military Care Packages

Hibernia Methodist Church and the West Brandywine Township Police have been participating in a “Care Package Mission” to the troops. The Borough of Atglen is joining them as a drop off site for donations to this worthy cause. The donated items are packaged and shipped to our soldiers in Iraq and Afghanistan. Contrary to popular belief, the military does not supply our men and women overseas with all their needs. They have to purchase items themselves and hope there is enough basic items left to go around when the roving PX supply trucks gets to their camps. **This is a year round mission.** Monetary donations are always accepted, as shipping can be expensive. If you donate \$20.00 or more, you will receive a letter from Hibernia Church to use for your income tax. 100% of all donations received will go directly to the soldiers needs. There are no administrative costs as this is a mission of love to our troops. Our men and women in the military appreciate everything you do for them, as we appreciate everything they do for us. Below is a suggested item list and all items should be new.
